# ISSAIH JEREMIAH MENDIOLA

## SOFTWARE DEVELOPER

Surigao City, Philippines | issaih.mendiola@gmail.com
Portofolio | Github | LinkedIn

### SUMMARY

Full-Stack Developer with 2+ years of professional experience building and maintaining web applications with React, Next.js, TypeScript, Laravel, and Django REST Framework. Independently delivers frontend and backend features, REST APIs, PostgreSQL integrations, and automated tests. Experienced with Pest-based test-driven development, deployment workflows, and AI-assisted engineering tools.

### SKILLS

**Frontend:** React, Next.js, TypeScript, JavaScript, Tailwind CSS | **Backend:** PHP, Laravel, Python, Django REST Framework, Node.js, Express, REST APIs
**Database & Testing:** PostgreSQL, migrations, Pest PHP, TDD, API testing

### PROFESSIONAL EXPERIENCE

**Software Developer | City Government of Surigao** **March 2024 - Present**

- Independently developed the Veterinary Management Module end to end, including a Next.js/TypeScript frontend, Laravel REST APIs, PostgreSQL operations, and Pest automated tests.Ensure responsive and user-friendly interfaces across mobile, tablet, and desktop devices.
- Built CRUD endpoints, request validation, database migrations, and frontend-backend integrations for pet owners, pet records, and rabies vaccination data.
- Applied test-driven development using Pest PHP (write failing test, implement, verify, refactor) for Laravel backend functionality.
- Maintain existing Django REST Framework APIs and JWT-based authentication; troubleshoot integrations and support application stability.Implement and test JWT-based authentication for securing API endpoints with token-based access.
- Develop frontend and backend functionality for the ongoing PESO Module; support Git workflows, code reviews, debugging, and development/staging/production releases.

**Shopify Developer | Madvert Media** **April 2023 - Feb 2024**

- Developed and customized e-commerce landing pages, responsive product layouts, and storefront content.

**Earlier Experience:** Shopify Developer, Luxury Crate LLC (2021); Shopify Developer, SwipeUp LLC (2020-2021).

### SELECTED PROJECTS

**Ghost AI | Next.js, TypeScript, React Flow, PostgreSQL**

- Built an AI-powered collaborative workspace for software architecture diagrams with interactive editing, real-time collaboration, and AI-assisted generation.

**Flowboard (Kanban Board) | React, Node.js, Express, PostgreSQL, Socket.IO**

- Built and deployed a collaborative Kanban application with REST APIs, JWT authentication, role-based access, and real-time board synchronization.

### EDUCATION

**Bachelor of Science in Computer Engineering** | Surigao del Norte State University | 2021
